# WINE AND DRINKS LIST

## JUGS OF WATER - DONATE?

We have seen a dramatic increase in the quantity of water our customers consume. So we have decided that with your help we can make a difference. We take this natural resource for granted, others aren't so lucky. In fact 4000 children die each day from diseases in dirty water that children around the world are forced to drink. All we are asking is for a £1 donation for each jug of water your table has.

You will find this charge on your bill and this £1 that you are kindly paying will all be passed on to the charity WATERAID, If you prefer not to donate then please just let a member of staff know and we will deduct the charge from your bill.
