DRINKS LIST 2023

JUGS OF WATER - DONATE?

We have seen a dramatic increase in the quantity of water our customers consume. So we have decided that with your help we can make a difference. We take this natural resource for granted, others aren't so lucky. In fact 4000 children die each day from diseases in dirty water that children around the world are forced to drink. All we are asking is for a £1 donation for each jug of water your table has.

You will find this charge on your bill and this £1 that you are kindly paying will all be passed on to the charity WATERAID, If you prefer not to donate then please just let a member of staff know and we will deduct the charge from your bill.

For more information on the work of this charity find their details below

A note from Inns of Distinction

At Inns of Distinction we continue to be proud to use the best quality products that the Isle of Wight has to offer. Island produced spirits have undergone a boom in recent years, with new drinks being created constantly.

The team at Isle of Wight Distillery supply us with their award winning range of gins, vodka and rum. The newest addition being the Mermaid Spiced Rum, it's flying off the shelves so enjoy one today! The first legal Island whisky is to follow soon!

The Isle of Wight Gin Company supply us with two of their range; Island Spirit and Frofor which boasts botanicals traditionally used to aid relaxation!

New to the scene are The Barnacle Brothers who bring us their smooth Coastal Rum featuring botanicals such as seaweed and gorse foraged on the Island.

Fantastic ales from Goddard's brewery have featured on our bars for over two decades and with a state of the art new brewing facility they will be going from strength to strength. They brew our house Best Bitter, which always slips down a treat!

The Island Espresso Company and Wight Label Tea are based in Newport and have rightly gained a fantastic reputation and many awards for their amazing coffee roasts and tea blends. Whether you love a latte, crave a cappuccino or think nothing beats a breakfast tea then these brews are for you!

Thank you

SPECIALITY COFFEE

The I.O.W Espresso Co. is the Island's leading supplier of hand roasted artisan coffee. Demand for their "Island Roasted" artisan coffee has grown considerably, and in 2013 the first of two larger commercial roasters were put into production at their roastery in Newport on the Isle of Wight. In 2014 their "Island Roasted" coffee was awarded Wight Marque status, a scheme to highlight products that are genuinely produced on the Island.
